

Fact Sheet

A Private Island Escape
Surrounded by Nature.

The Details

Elang Private Residence is a private island set within one of Bawah Reserve's six islands. Just a few minutes by boat from the Reserve's main jetty, this intimate island offers a peaceful retreat with private butler service, personalised dining, a spacious activities lawn, and a dedicated spa and wellbeing space. Elang is a place where time slows, nature guides, and the island feels entirely your own.

Unlike the main Bawah island, Elang Private Residence is available exclusively for private buyouts and can accommodate children of all ages, offering an ideal setting for families and friends to reconnect and share meaningful moments together.

**Six Standalone Cliffside Lodges

Travel options

SINGAPORE

Guests are picked up from the airport, hotel or private residence – by Bawah's preferred, outsourced car service and driven to Tanah Merah Ferry Terminal. From there, Bawah's travel host escorts guests on a 30-minute ferry ride to the Indonesian island of Batam. After clearing immigration, guests are driven to Batam airport where they board AirFast's amphibious seaplane for an 80-minute flight, landing on the water in the resort's main lagoon at Bawah Island. From there, guests continue by private boat on a short ride across the lagoon to Elang.

Total journey time from Singapore:
approx 4 hours.

BATAM

A private car service picks guests up from their hotel or residence in Batam. They may opt to fly directly into the Hang Nadim Airport (BTH) where they will be met for direct transfer to AirFast's amphibious seaplane.

Total journey time from Batam:
approx 3 hours.

PRIVATE JET

Anyone travelling to Bawah Reserve via private jet should plan to fly direct to the Hang Nadim Airport (BTH) for transfer to AirFast's amphibious seaplane.

PRIVATE YACHT

We welcome guests arriving via private yacht; however, a room booking is required as part of your stay. Please note that mooring reservations must be made in advance, and there are size limitations within our lagoons. Our team will be happy to assist with planning your arrival.

Kayu Spa & Wellbeing

TRADITIONAL THERAPIES. MODERN WELLBEING

KAYU AMENITIES

- Two couple's treatment rooms
- Outdoor stone bathtub
- Outdoor Kayu wellbeing bale
- Air-conditioned gym (Bawah island)

True indulgence is at the core of the Kayu concept. Available only for Elang guests, all its services are included in your rate.

Kayu means wood in Bahasa Indonesia and Kayu Spa & Wellbeing pays tribute to the variety of native trees growing on our islands.

It is located in a restored Joglo - a traditional Javanese house that has a pyramidal roof evocative of the shape of a mountain. The Javanese people believe that mountains symbolise all things sacred. Perched on the cliff's edge, with stunning views of Bawah, Sanggah and Muerba islands, Kayu Spa will transport you to a more sacred and traditional time.

Be part of tailoring your own hedonic ritual, enhanced with your favourite from our health-enhancing essential oil blends. For example, guided meditation might precede a soothing massage and then a restorative soak. Or start with an invigorating body scrub, followed by a body wrap while a superfood facial works its nourishing magic.

Wander down to the Kayu bale, on the water's edge, for panoramic views, ocean breezes and daily yoga, meditation and other wellbeing classes.

Dine By Design

Dining on Elang is a culinary adventure that is bespoke to each guest's wishes.

Dining on Elang Private Residence is a bespoke culinary journey shaped entirely around your preferences. While in residence you will enjoy the services of a private chef who will craft menus to suit your tastes — whether you wish to design your meals in advance or be surprised daily with the chef's creative inspirations.

We cater to every palate and dietary need, ensuring that every dish is as memorable as the setting itself. Our chefs draw inspiration from the four elements — fire, water, earth, and air — and from the island's abundant natural resources. Island woods smoulder in wood-fired ovens, infusing meats with a delicate smokiness; freshly caught seafood is seasoned with salt from the surrounding sea; organic produce is harvested from our permaculture gardens; and air-dried fruits and herbs elevate our botanical cocktails.

Guests may choose where to dine: the elegant Club House, the relaxed Owner's Lounge, the beachfront Beach House, at one of Bawah Island's venues, or in the privacy of your own lodge. For something truly special, we can also arrange unforgettable destination dining experiences — from secluded beaches to starlit terraces.

THE CLUB HOUSE

Offering the most exclusive setting in our island resort, The Club House is on ground level. Offering an open-air dining room with long table for group dining overlooking the pool and the ocean.

OWNER'S LOUNGE

Occupying the upper level of the The Club House, the Owner's Lounge is a relaxed bar with views of the lagoon, the surrounding islands and the ocean beyond. It's a perfect spot to catch the sunset with a cocktail.

THE BEACH HOUSE

Embrace our authentic local cuisine, enhanced by chilled music and the relaxed atmosphere of a pristine private beach, plus breath-taking views of the azure sea and nearby Lidi Island.
