
WEAVING MAGIC
into the
FESTIVE SEASON
2026/2027

WELCOME TO OUR LITTLE SLICE OF PARADISE!

Where shoes are optional, time moves at its own delightful pace,
and the festive season comes with a generous sprinkling of Bawah magic!

This year, our 12 Days of Bawah celebrates Weaving the Magic of the Festive Season, inspired by the rich tapestry of Indonesia's islands, traditions and people.

We have woven together twelve extraordinary days of culinary delights, island adventures and festive experiences. Restore body and mind at Aura Sanctuary, explore the flavours and customs of the archipelago, reconnect with nature and share joyful moments with your loved ones.

Whether you're here with family, reconnecting with friends, enjoying a romantic escape or mastering the fine art of doing absolutely nothing, there's a little something for everyone.

Of course, the true magic of Bawah lies in the people who share it, the laughter around the dinner table, the friendships made and the memories that linger long after the sun has set. So, embrace your inner islander and allow our wonderful Bawah family to weave a little magic into your festive season.

From our family to yours, we wish you twelve glorious days of joy, indulgence and togetherness, and a spectacular beginning to 2027.

Let the Weavestivities begin!
